Welcome from the Williams Family

Wyn, Samantha, Paris & Rio would like to welcome you.
We have proudly owned Marine Holiday Park as a family business for 18 years

The North Wales Coast has been named as one of the top places to visit by Lonely Planet. Lucky for you, Marine and the team have been voted North Wales Holiday Park of the Year! Thank you for joining our world!

We are really pleased to share with you our fantastic location here with all the exciting attractions the coast has to offer - from relaxing days at our sandy beaches, to adventures in the Snowdonia mountains and everything in between!

We are proud to be a family business and proud to say we go the extra mile to make your holiday memorable. Memories last a lifetime and whether it be sharing ones with us or creating your very own - our team are like family and are here to help in anyway we can!

Allow us all to ensure that you have the best holiday North Wales has to offer.
